For further information as to eligibility to use of this Form see Item 10(a) of Regulation S-B (17 CFR 228.10 *et seq.*). A small business issuer shall file a quarterly report on this form within 45 days after the end of each of the first three fiscal quarters of each fiscal year. No report need be filed for the fourth quarter of any fiscal year. Transition reports shall be filed in accordance with the requirements set forth in Rule 13a-10 or Rule 15d-10.

B. Application of General Rules and Regulations

1. The General Rules and Regulations under the Exchange Act (§240.0-1 *et seq.*), particularly Regulation 12B (§240.12b-1 *et seq.*) contain certain general requirements for reports on any form which should be carefully read and observed in the preparation and filing of reports on this Form.

C. Incorporation by Reference

1. If the registrant makes available to its stockholders or otherwise publishes, within the period prescribed for filing the report, a document or statement containing information meeting some or all of the requirements of Part I of this form, the information may be incorporated by reference from such published document or statement, in answer or partial answer to any item or items of Part I of this form provided copies of the document or statement are filed as an exhibit to Part I of the report on this form.
2. Other information may be incorporated by reference in answer or partial answer to any item or items of Part II of this form in accordance with the provisions of Rule 12b-23 of the Exchange Act.
3. If any information required by Part I or Part II is incorporated by reference into an electronic format document from the quarterly report to security holders as provided in General Instruction C, any portion of the quarterly report to security holders incorporated by reference shall be filed as an exhibit in electronic format, as required by Item 601(b)(13) of Regulation S-B.

D. Integrated Reports to Security Holders

Quarterly reports to security holders may be combined with the required information of Form 10-QSB and will be suitable for filing with the Commission if the following conditions are satisfied:

1. The combined report contains full and complete answers to all items required by Part I of this form. When responses to a certain item of required disclosure are separated within the combined report, an appropriate cross-reference should be made.
2. If not included in the combined report, the cover page, appropriate responses to Part II and the required signatures shall be included in the Form 10-QSB. Additionally, as appropriate, a cross-reference sheet should be filed indicating the location of information required by items of the form.
3. If an electronic filer files any portion of a quarterly report to security holders in combination with the required information of Form 10-QSB, as provided in this instruction, only such portions filed in satisfaction of the Form 10-QSB requirements shall be filed in electronic format.

E. Filed Status of Information Presented

1. Under Rule 13a-13(d) and 15d-13(d) of the Exchange Act (§§240.13a-13(d), 240.15d-13(d) of this chapter), the information presented in satisfaction of the requirements of Items 1 and 2 of Part I of this form, whether included directly in a report on this form, incorporated therein by reference from a report, document or statement filed as an exhibit to Part I of this form pursuant to Instruction D(1) above, included in an integrated report pursuant to Instruction D above, or contained in a statement regarding computation of per share earnings or a letter regarding a change in accounting principles filed as an exhibit to Part I under Item 601 of Regulation S-B (§228.601 of this chapter) shall not be deemed filed for the purpose of Section 18 of the Exchange Act or otherwise subject to the liabilities of that section of the Act but shall be subject to the other provisions of the Act.

2. Information presented in satisfaction of the requirements of this form other than those of Items 1 and 2 or Part I shall be deemed filed for the purpose of Section 18 of the Exchange Act; except that, where information presented in response to Item 1 or 2 of Part I (or an exhibit thereto) is also used to satisfy Part II requirements through incorporation by reference, only that portion of Part I (or exhibit thereto) consisting of the information required by Part II shall be deemed so filed.

F. Signature and Filing of Report

1. If the report is filed in paper pursuant to a hardship exemption from electronic filing (see Item 201 et seq. of Regulation S-T (17 CFR 232.201 et seq.), file three “complete” copies and five “additional” copies of the report with the Commission and file at least one complete copy with each exchange on which any class of securities of the small business issuer is registered. A “complete” copy includes financial statements, exhibits and all other papers and documents. An “additional” copy excludes exhibits.
2. Manually sign at least one complete copy of the report filed with the Commission and with each exchange; other copies should have typed or printed signatures. (See Rule 12b-11(d) (17 CFR 240.12b-11(d).) In the case where the principal executive officer, principal financial officer or chief accounting officer is also duly authorized to sign on behalf of the small business issuer, one signature is acceptable provided that the issuer clearly indicates the dual responsibilities of the signatory.

 - (c) There is prominently set forth, on the cover page of the Form 10-QSB, a statement that the registrant meets the conditions set forth in this instruction and is therefore filing this form with the reduced disclosure format.
